

# Wetaskiwin Three-Day Community Sale - Dec. 7-8-9

## Wetaskiwin-The Centre Of an Excellent District

A newspaper correspondent recently visited this community and compiled considerable information which was published in The Edmonton Journal a few weeks ago. The following is a summary of the write-up as it appeared in The Journal:

For yield and quality of its farm products the Wetaskiwin district has long been famous. It is one of the richest farming belts in central Alberta. The average yield for the last 10 years has been around 25 bushels per acre of wheat, 50 of oats and 35 of barley.

The present year is well up to the average. With good harvesting weather and fair prices, the district will realize handsomely. Even now impetus is felt in growing optimism, in the payment of taxes and in improving business conditions.

The Wetaskiwin district is a large one, comprising the municipal district of Montgomery, Bigstone and Columbia.

**Mixed Farming Favored**  
In a large part of this area, mixed farming is the rule and has proved to be a paying proposition. Nature is more kind here than in some parts of the country, for Wetaskiwin has had no crop failures and very few shortages.

While it is true that the locality is excellent for grain growing, it is ideal for mixed farming, having all the essentials for raising cattle, hogs, sheep and poultry. Those engaged in livestock raising, poultry and dairying have met with success. There are several outstanding herds of purebred cattle, thoroughbred horses have been raised extensively, and sheep ranching receives considerable attention. Wetaskiwin has become an important centre for poultry farming, including turkeys, ducks and geese. District turkeys have been shipped to the markets of Montreal and New York.

As the hub of the famous mixed farming district Wetaskiwin enjoys superior advantages for the promotion of the dairy industry, an opportunity that has been well capitalized. Two well-equipped creameries are established here, operated by the Wetaskiwin Creamery Co., Ltd. and the Northern Alberta Dairy Pool Ltd., who encourage the dairy farmers' efforts in every way. These creameries have won many awards with their butter exhibits, and the Wetaskiwin Creamery has also scored many successes with their cheese.

### Export 300 Tons

As an indication of the volume of the dairy business here, in 1929, the two Wetaskiwin creameries exported over 300 tons of creamery butter. In the same year the export of cheese was over 40 tons and the figures for last year show a great increase, the butter shipments, for instance, reaching around 1,000,000 pounds.

With so much truck haulage these days, it is difficult to arrive at figures for livestock. In 1929, however, these exports amounted to some 30,000 hogs, over 3,000 cattle, four carloads of dressed turkeys, three carloads of dressed fowl and 10 carloads of eggs.

The country surrounding Wetaskiwin is parklike in its natural beauty. The landscape affords several charming views. Light willow scrub and popular bluffs abound, as also small streams and lakes.

The soil is a rich, black loam, with clay subsoil. The district is noted for its pure seed grain. Farmers specializing in this way enjoy an enviable reputation and net handsome returns for their seed. Exhibits of grain by Nels Linden at Chicago, Toronto and elsewhere have taken high rank in years gone by. Another farmer, Gus Elgert, won the Alberta championship for the best field of standing wheat in the province, a few years ago. Distinction was again won in 1930 by Richard Ballhorn, farmer and livestock breeder, by winning the diploma and medal of Master Farmer of Canada. Such honors prove the fertility of the soil and the progressive spirit of the farmers.

### Have Fine Roads

Every part of the district is linked up with good roads and extensive rural telephone connections. There is

also the best of railroad service in every direction.

Pur farming is extensively carried on. The silver fox farm of Montgomery Brothers is one of the best known. The Northern Alberta Silver Fox Co. Ltd. also ranch on a large scale.

Other ventures of the kind are now in operation, as well as muskrat farming. Many farmers find it profitable to raise fox, martins and other fur-bearing animals.

Wetaskiwin is located 42 miles south of Edmonton, on the Calgary-Edmonton branch of the C.P.R. Its origin dates back to 1892 and since its incorporation as a city in 1906 steady growth has been experienced. The name of the place recalls the early days of Indian warfare. Many years ago on a hilltop not far away two chiefs of the warring Crees and Blackfeet decided to smoke the peace pipe and ever afterwards that hill was called "Wetaskiwin Sisseton," a place where peace was made. A cairn today marks peace hill, which lies one mile north. An interesting relic is the old block house, or fort, on the Lucas farm, three miles to the northwest. Two miles southwest stands the old log building that was used as a stopping place in the pre-railway days of the Edmonton-Calgary trail.

### Modern Centre

Today with a population of 2,100, Wetaskiwin is one of Alberta's most modern and progressive centres. The public buildings, business places and residences command respect, while the natural and "made" beauties of the city are beyond question.

All the best advantages of modern life are here—electric light, water works, sewers, cement walks, parks, library, hospital, theatre, steam laundry, newspapers, churches, public and high schools. The Driard hotel, famous for its service and comfort, is one of the city's valuable trade and advertising assets. The Wetaskiwin hotel caters more especially to farmers and family trade. Two weekly newspapers, the Times and the Free Press, have both seen long service.

Wetaskiwin is noted for its well-stocked and up-to-date stores, garages, implement dealers, etc. Learned professions are well represented. Excellent branches of three chartered banks suggest the importance of the city as a business centre.

Wetaskiwin has six large grain elevators. One of Alberta's largest industries, long established here, is the 100-barrel a day flour mill of the MacEachern Milling Company, whose products enjoy a large demand.

The city's light and power plant and its water supply are now operated by the Calgary Power Co., Ltd., with a 24-hour service.

Social and recreational facilities include the exhibition ground, public park, covered curling rink, skating rink, bowling green, tennis courts and nine-hole golf course. The city has always been prominent in athletics. Several fraternal societies and service clubs have large memberships.

A development of which the entire district is justly proud is the new 30-bed community hospital erected last year on an ideal site near the Memorial park. The municipality and city united in this splendid achievement. The hospital board consists of six members, with Alf A. Ellis, chairman. The handsome building of frame and stucco cost, with new equipment, about \$38,000. It is completely provided with the latest and best X-ray machine, operating tables and two operating rooms for major and minor cases. The hospital is proving a real success in every way.

### W.I. Popular

The Women's Institute is a body with a large membership of city and country ladies. They do a lot of general welfare work and have nice rooms in town. The Community Welfare league is another organization of combined clubs and lodges, with Frank Abousaffy as president. They have a well-planned system of efficient relief that reaches all over the district. Good work has been accomplished in a business-like way.

(Continued on Page 8)

## AN OPEN LETTER TO ALL CITIZENS OF WETASKIWIN & DISTRICT FROM YOUR BOARD OF TRADE

The Board of Trade is a public body composed of residents from city and country for the purpose of assisting our district to the best of our ability in either local, provincial or national affairs. On December 7th, 8th and 9th the Merchants of Wetaskiwin are putting on three big Shopping Days. This Special Edition of The Times will give you complete details. We are thoroughly in accord with this effort, and ask you to give it your support.

It is a recognized fact that each part of a district is more or less dependent on the other, and assistance from one section is always reflected on the other. The merchants of Wetaskiwin are always behind any effort for the betterment of the district, and we feel that every resident who calls Wetaskiwin his trading center, should make an effort to come to Wetaskiwin on, at least, one of these Special Shopping Days. We are sure you will receive Real Value for any money you spend. You will be spending your money in your own district, and will contribute to the betterment of conditions in it.

## Weddings

### WARD-KASUR

A pretty wedding was celebrated at Zion Lutheran Church, Wetaskiwin, on November 22, when Alma Kasur, daughter of Mr. and Mrs. Richard Kasur, and John Evans Ward were united in holy matrimony by Rev. A. Appel.

The bride looked charming in a frock of Alice blue tulle. She wore a veil and orange blossoms and carried a bouquet of roses and fern. The bridegroom wore a tuxedo. The ceremony was performed by Rev. A. Appel.

Miss Mary Kasur, sister of the bride, acted as bridesmaid. She was becomingly gowned in sky-blue Canton crepe. Mr. Robert Best acted as best man.

Miss Lillian Oppertshausen, a friend of the bride, played the wedding march as the bridal party entered the church. After the wedding address Miss Oppertshausen and Mr. Leonard Kasur sang "I Love You Truly."

After the ceremony, about seventy guests were entertained at a most enjoyable wedding breakfast at the home of the bride's father, which was tastefully decorated in pink and white.

The bridegroom's gift to the bride was a beautiful diamond wrist watch, while the bride's gift to the bridegroom was a fine pair of cuff-links.

A wide circle of friends presented the couple with numerous well-chosen gifts.

The happy couple is spending a honeymoon in Calgary and other places, and on their return will reside on the bridegroom's farm south-east of Wetaskiwin.

The community extends to them its best wishes for the future.

### LANTZ-BROWN

A quiet wedding was solemnized at the Lutheran Manse at Camrose on Wednesday afternoon, November 22nd, when Miss Ethel Brown became the bride of Mr. Carl Lantz, both of the Hay Lakes district. Rev. Carlson officiated. The bride was attended by her sister Miss Sarah Brown, while Mr. Harold Johnson assisted the groom.

The bride was becomingly gowned in a beautiful white point veil and a dress of pale green georgette. The bridesmaid wore a lovely dress of pale green georgette.

After the ceremony they motored to the home of the bride's mother, where a sumptuous wedding dinner was served. The following day another wedding dinner was served at the home of the groom's mother.

A wedding dance was held at the local hall where they received many beautiful gifts and the whole community drank to the health of the bride.

We take this opportunity in extending our good wishes to the happy couple.

### YOUNG PEOPLE'S ACTIVITIES

The United Church K.L.R. group met on Tuesday evening with a good attendance. During the course of the meeting a very lively discussion on the topic "Resolved, that Co-operation has done more for the world than competition," ensued. A great deal of mirth and amusement was derived from a Wetaskiwin newspaper which was edited by us in the latter part of the evening. Future editors are seemingly in existence. The meeting came to an end with the singing of "Auld Lang Syne."

## SEED FAIR DEC. 9TH

A Seed Fair will be held in the U.F.A. Hall, Wetaskiwin, on Saturday, December 9th. Small cash prizes will be given for first and second places in grains and potatoes. Suitable ribbons will be donated for the appropriate places of all exhibits submitted to the Judges. Exhibits should be left at the Secretary's office any time before the day of the fair, or in the U.F.A. Store. Judging commences at 9 a.m. the day of the fair, and the fair will be open to the public after 1 p.m.

## Town Topics

Mrs. Ferrin of Dorelles, is visiting at the home of Mrs. W. N. Paton.

Miss Doris Schlin, was visiting at her home in the Bears Hill district during the weekend.

Mrs. Adams left for Eastern Canada on Monday, having received word that her mother was very ill.

The Scandinavian Welfare Society will meet at the home of Mrs. Ed. Johnson on Tuesday, December 5th, at 3 p.m.

Miss E. Meyer resumed her duties at Larch Tree school on Wednesday, after having been confined to her home due to illness.

Friends of Leroy Greiner are pleased to see he is getting about again, after a lengthy illness caused by a relapse of influenza.

Peace Hill Chapter I.O.D.E. will hold the regular meeting at the home of Mrs. Ed. Moore on Tuesday evening, December 5th, at 8 o'clock.

The W.A. of United Church will hold their regular meeting on Thursday, December 7th instead of Wednesday, as previously announced.

Delegates to the Alberta Municipalities Convention held in Edmonton last week, were D. E. Humble and Fred Landman, Reeve Thompson and Councillor Ballhorn also attended.

Over five hundred tys were received at the Audien Theatre at the matinee on Monday, Nov. 27th, which will be used as in former years, as Christmas Cheer for needy kiddies.

Dr. B. I. Love, secretary of the Veterinary Association of Alberta, and Dr. F. Parmer, chief veterinarian of Gainers' Ltd., Edmonton, visited Dr. and Mrs. O. A. Christian on Sunday.

The Imperial Oil Limited have moved their building on McDonald street to the rear of the lot. The gas tanks will also be moved, and many other improvements will be made as soon as possible.

We would again draw the attention of the public to the fund at The Times office, where cash contributions may be made to the Welfare League. We will publish the list of contributors in a few days.

Lieutenant Harry Vanuhsen returned Thursday from Edmonton where he was attending the Guides' training classes conducted by Miss K. Wilson, Red Cross Guide-Imperial headquarters staff, London, England. While in Edmonton Miss Vanuhsen sang over the air from station C.F.C.A. the Journal. Miss Marjorie Robinson accompanied at the piano.

## Obituary

### ELVIERA LOUISA TOST

The funeral of Elviera Louise Tost, aged 5 years and 9 months and only daughter of Mr. and Mrs. Eric Tost, who was accidentally shot on Saturday last, was held on Tuesday at the German Lutheran church. Rev. A. Appel officiating. Many neighbors attended to express their sincere sympathy to the bereaved family.

The pall-bearers were: Stanley Thirsk, Lloyd Wilson, Clarence Brandt, Gordon Rix. Floral tributes were received from the following: The Family, Mr. and Mrs. Clayton Rix and Harold, Mr. G. Thorsen, Mrs. J. W. Bailey, Mr. and Mrs. A. J. Rix, Mr. and Mrs. E. W. Wilson, Mr. and Mrs. Otto Nieman and Doreen, Mr. and Mrs. N. Keiser, Mr. J. W. Wilson, Mr. and Mrs. Otto Magadan, Mr. and Mrs. J. Stadel, Mr. and Mrs. Roy Ballhorn, Mr. and Mrs. C. Krutzfeldt, Mr. and Mrs. J. F. Nieman, Mr. and Mrs. Frank Ballhorn, Mr. and Mrs. Leo Schreffels, Mr. and Mrs. Ward Bailey, Mr. and Mrs. Wm. Thirsk, Stanley and Annie, Angus Ridge School and Teacher, Mr. and Mrs. T. Angus, Mr. and Mrs. G. Bailey, Mr. and Mrs. E. Gilling, Mr. and Mrs. J. Malmes Ted and Annie, Mr. and Mrs. G. Malmes, Mr. and Mrs. E. Brandt and Clarence, Mr. and Mrs. J. J. Malmes, Mr. G. Waterston and Clifford.

### RUDOLPH SANDAHL

Rudolph Sandahl passed away on November 25th, at the age of twenty-four years, seven months and twenty-three days.

He leaves to mourn his loss, his mother and four sisters, Mrs. Zirk of Calgary, Mrs. Terndelen of Nashville, and two sisters in Sweden, and one brother, Charlie, of Gwynne.

Deceased came to Canada in April, 1928, and made his home for a number of years with Alex. Edlund, and later moved to his brother's farm, east of Battle River, where he lived until the sad accident occurred with a 22 rifle, which caused his death.

He is gone but not forgotten, by a host of friends. The funeral took place on Wednesday, served by Rev. Wingland. The interment took place in the Nashville cemetery.

### MRS. ADELE CASEY

One of the old time residents of Wetaskiwin passed away in Calgary on Saturday evening last, in the person of Mrs. Adele Casey. She was aged 76 years, and the cause of death was pneumonia. The funeral took place in Calgary Tuesday morning. She leaves to mourn her loss a son and a daughter, besides a host of friends.

### ROBERT CRUICKSHANK

There passed away in the Community Hospital on Saturday last, Robert Cruickshank, at the age of thirty-three years. He was born in Keith, North Scotland, and came to Canada in 1927. For some time he had been employed at the farm of Fred Tabler. He leaves to mourn his loss, one sister and a host of friends.

The remains are being held, awaiting instructions from his sister in Scotland.

The Times does commercial printing at right prices.

## Rev. Murphy Gives Good Talk at Kiwanis Club

### PARENT-TEACHER MEETING

Next Monday evening is the regular time for the meeting of the Parent-Teacher Association, and as we understand that there is to be another meeting in the city later in the evening, the Chairman, is calling our meeting at 7:30 so that we may be adjourned at 8:30.

Our readers have perhaps observed that the Parent-Teacher Association idea is rapidly gaining favor throughout Canada and the States; so much so, in fact, that some enthusiastic champions of this cause are occasionally broadcasting by radio some very interesting information concerning the values and results of this movement.

We, in the city of Wetaskiwin, have a very splendid opportunity of effecting a live and energetic association which can bring to our schools and our homes values which can be obtained in no other way. We urge all parents to become active members with us.

On Monday night Mrs. Munn of the King Edward School will present to us some phases of the problems confronting both teacher and parent because of the fact that so many of our pupils have no natural inclinations to master the subject matter of the courses outlined to be taught, and that perhaps the best that we can do under the present system is to give our boys and girls a set of ideals and a standard of life rather than to attempt to really fit them to leave school and cope with their rivals in the industrial world.

Mrs. Munn will lead an open discussion following her talk and all parents are urged to give freely their feelings and judgments on these matters which are so vital to their boys and girls' welfare.

Mr. Gish will give his interpretation of what he thinks should be a good balance between Law and Freedom in the school and home so far as education is concerned.

The Principal is contemplating putting into effect some rather strict regulations after the Christmas results for those students who require such regulations, and parents who attend our Parent-Teacher meeting will understand the significance of such laws and doubtless sanction same.

### WETASKIWIN NOMINATIONS

A meeting of the electors of the City of Wetaskiwin will be held in the City office on Monday, December 4th, from 10 a.m. until 12 noon, for the purpose of nominating candidates for the offices of Mayor, three Aldermen, two Public School Trustees, and two Separate School Trustees for the ensuing year. City officials retiring this year are, Mayor Thos. Torson, Aldermen Brown, Scott and Poole, and D. MacEachern and Eli Moore from the Public School Board.

### LIBRARY NOTES

You are invited to come and read the illustrated magazines which are placed on the library table, besides the regular numbers we have just received the special Christmas numbers. These have beautiful coloured plates and are interesting to young and old.

The library has several valuable sets of volumes on its shelves such as the World's Great Classics which contain some of the finest thoughts in the literature of different countries of the world. Complete sets of Sir Walter Scott and Charles Dickens, and Junior classics, along with a great number of historical novels which should not be lost sight of.

Lukin Johnston, who recently met with such a tragic end on his return journey home after interviewing Adolph Hitler, wrote the book "Beyond the Rockies" which may be found in the library. It is a most interesting story of the Cariboo Pacific coast and gulf islands in B.C. that every one should read.

A full report of the work of the library will be given by chairman W. H. Odell at the annual report meeting on Thursday next, December 7th.

See The Times Want Ad. columns.

"Do not borrow trouble," was the very timely advice given to the Kiwanis Club by Rev. Thomas Murphy, B.A., on Tuesday evening. Sorrow comes soon enough to all of us without our borrowing it in advance. Despondency unites a man for the duty of the day. Borrowing trouble causes one to overlook his present blessings. Let us rather thank God for the blessings we enjoy.

Do not pile up the financial worries of twenty years hence. The Providence that has cared for you in the past will have as much care for you today and tomorrow.

In matters of health be prudent and then be content. Don't expect providence to take care of your health if you sleep in a room with the windows sealed tight, or eat indigestible foods at midnight.

Borrowing trouble is wrong because it unites a man to meet it when it comes. Borrowing trouble is wrong because it is unbelief.

The world today needs merry hearts more than it needs medicine. In closing, the speaker dilated on the benefits of cheerfulness and gave as examples, Phillips Brooks and Henry Ward Beecher, both of whom radiated cheerfulness as they passed along, thus adding greatly to their mighty influence for good.

President Frank Abousaffy thanked the speaker for his address. Kiwanian Stewart Campbell, with Mrs. McMurdo at the piano, led the club in some stirring songs.

## LOCAL TALENT SHOW MAKES BIG HIT

The Audien Theatre was packed to the doors on Tuesday and Wednesday evening of last week, when a three-act comedy "The Absent-Minded Bridgroom" was staged, under the auspices of L.O.L. No. 1776. Owing to the large sale of tickets, the play was produced two nights, but on Wednesday night, the crowd was so large that an extra performance had to be put on, commencing at 10:45.

The play was a gratifying success, and Dr. W. E. Janzen, who was the director, as well as the entire cast, are to be heartily congratulated for the very capable manner in which the performance was staged.

The cast of characters was: Kathleen O'Connor (Norah Shea's friend), Frances Roulston; Tessie Connors (Mrs. Rooney's maid), Asta Vold; Norah Shea (Timothy Shea's daughter) Merna Redman; Jimmie Rooney (Mrs. Rooney's son) Jack Roulston; Patrick Rooney (Mrs. Rooney's brother-in-law) Ben Bart; and Timothy Shea (the bridegroom, a widower), Godfrey Baker; "Daphny" Rooney (the bride, a widow), Mrs. J. C. Drollet; Fred Grady (Jimmie Rooney's friend) Andy Vold; "Slade" (plain clothes man) Charles Spencer; Yennie and Yancy (small girls) Beryl Gilechrist, Jennie Ketchen; Yonnie (small colored boy) Sidney Spencer.

The radio which was raffled off in connection with the play, was won by John Roraph, the seller of the winning ticket being S. A. O'Brien. The Wetaskiwin Legion Band, while the crowd assembled, and between the acts, rendered a number of fine selections, which were greatly enjoyed.

### THREE CARS COLLIDE

An auto and two trucks, one of which was loaded with wheat, collided and were badly damaged by night on the Pigeon Lake road. Driven escaped injury and owners are now negotiating damage settlements. The car of George Beal, of Ponoka, had collided with a truck driven by Andy Ewart, when C. Hendrickson, with a load of wheat, endeavored to pass the car and in the glare of its lights crashed into the other truck.

Beal was going to the lake and both Ewart and Hendrickson were coming east.

**KNOB HILL**

The bazaar held in the hall on Friday night was a big success financially.

C. E. Stone left last week for Edmonton.

The roads are almost impassable after all the mild weather and rain.

A turkey supper was held in the cook-house of the Knob Hill Sawmill on Wednesday evening in honor of all those who have so generously means towards the building of the church. About forty-one were present to enjoy the delightful supper prepared by Cook Bill Mathews. The stringband added to the enjoyment of the guests by playing during the course of the supper and a pleasant programme followed after.

C. Anderson and C. B. McLaughlin spent several days in Edmonton last week.

A number of young folks enjoyed a good skate on the lake at the mill Saturday night.

**FALUN**

Miss Irene Gustafson of Edmonton is visiting with friends here.

Stina Carlson spent several days last week in Wetaskiwin with friends.

The dance in the Falun School on Friday last was a decided success considering the condition of the roads, quite a large crowd attending.

Miss Tilda Carlson who has been in Edmonton returned home to her parents on Friday last. She will remain home for a time.

Ladies, remember the W.I. meeting this Saturday at the home of Mrs. C. Isaacson. The election of officers for 1934 will take place.

**BUCK CREEK MAN  
DIES IN STORE FIRE**

Carl Anderson, middle-aged proprietor of the Buck Creek store, was burned to death on Thursday, November 16, when the building was burned to the ground. There still remains some slight doubt, but when the ashes of the fire were sifted, remains of human bones were found, and as Anderson was known to have been in the store and following his complete disappearance from the district, there seems little doubt but that he has been a victim.

R.C.M.P. carrying out their investigation believe that the man has only one relative on this continent, Gunnar Anderson, living at Baring, Oregon. Anderson was a bachelor and lived alone in his Buck Creek store.

Recently Anderson figured in an action for \$5,000, started by B. Bjur, charging alienation of his wife's affections. The case was dismissed.

A good weekly paper, with a substantial circulation, is worth more, dollar for dollar, as an advertising medium in rural communities, than any other method known.

## ALBERTA NOT LAGGING BACK IN HIGHWAYS

While marking time in road construction at present, Alberta was not lagging behind other provinces in this work, declared Hon. O. L. McPherson, minister of public works in addressing the Friday session of the Alberta Association of Municipal Districts convention at the Masonic Temple.

This province, declared the minister, now had between 2200 and 2300 miles of gravelled highways as well as a large mileage in well built grade roads, built to standard and nearly ready for graveling.

It was easy to understand, in view of prevailing conditions why not only this province, but municipalities and nations had curtailed their highway construction.

But in the interim, when drastic cuts had halted further construction the achievements in this respect were only becoming recognized and appreciated.

The past decade had witnessed a marked advance in road construction. Experiments had been made with a higher type of road which would be used when gravel was no longer able to stand up under the volume of traffic.

The provincial government policy was to develop roads to take care of traffic needs. "It would be a waste of money to do otherwise," he said. "This policy will result in a system which, when fully developed, would take care of the needs of the province."—Edmonton Journal.

## GRAVELLING WORK NEARLY FINISHED

Re-gravelling of sections of the Edmonton-Calgary highway, carried out under special arrangements when heavy summer rains did considerable damage, will be completed in the near future, stated Hon. O. L. McPherson, minister of public works.

Only one of the contractors on the project is on the Olds-Bowden section.

The minister also stated that one contractor is working on the Turner Valley road graveling project.

These are the only two provincial projects under construction.

There is some relief work being job has work to be finished. This done, in addition to the above, in conjunction with the Dominion.

One project is on the Edson coal branch, where it is hoped a total of 400 men will be employed throughout the winter. Equipment to accommodate the additional men to bring the total up to 400 will go forward in the near future.

## CATTLE-DIPPING TANK INSTALLED AT LACOMBE

The farmers of the La-Mombe district have installed a modern dipping tank for dipping cattle. It is located at and connected with the stock yards at the railway station so that the railway yards are available for handling the cattle both before and after dipping.

A charge of twenty-five cents per head is being charged until the plant is paid for, after which it will be operated at cost.

The plant has a capacity of 1000 head per day. Approximately that number have been dipped to date. A great deal of interest has been shown in the enterprise by the people of the district as indicated by the crowds of people who were on hand to watch dipping operations.

The cattle are dipped in a solution of lime and sulphur that is held at a temperature of one hundred and ten degrees. They are lowered by means of a cage into a tank of this solution which completely covers them.

The treatment is ordinarily used in districts where the cattle are subject to mange. There is no mange in central Alberta but the farmers consider that the benefits which will result from the eradication of lice will more than justify the expense of the treatment.

## GALLOWES ENDS McLEAN PAIR LIVES AT FORT

FORT SASKATCHEWAN, Nov. 24.—Kenneth and William McLean, father and son, were hanged today for the murder of Walter J. Parsille, Manville, Alta., farmer, on Sept. 30, 1932.

The death of the two McLeans brought to a close a lengthy court case and wrote final to another chapter of successful endeavor by the Royal Canadian Mounted Police.

Parsille, a well-to-do bachelor wheat farmer, was shot down as he opened the door to receive a caller on the night of Sept. 30, 1932.

A suggestion that two men charged with theft of an automobile and held in the Knoxville, Tenn., jail might be worth investigating led to the arrest of the McLeans last March. It was the end of the trail for the red-coated members of the Royal Mounted Police who for six months had searched the prairies and several

ple's meeting at We-taskiwin As-  
sembly. 1st, 3rd and 5th Fridays,  
meeting at Crooked Lake hall.

**HERE'S AN EAR FULL**  
In anything—it's team work that  
counts.

No matter how strong the individ-  
ual, he becomes more powerful with  
team co-operation—team work.

Have you joined the home town  
team? Are you making your co-citi-  
zens realize your desire to assist  
them commercially and socially?

Are you helping them to feel the  
advantages of living in this good  
town of ours? Are you extending a  
cordial heart and hand?

If you do—they will pass the good  
word along—it becomes an endless  
chain. The team work is strong and  
will thus attract others—who in turn  
will lend their hands, talents, re-  
sources and energies to mutual civic  
progress.

Now is a good time to "join up"—  
the only initiation fee is a resolve to  
do your part—and the dues come  
back to you in personal dividends.

Miners passing oral quizzes were  
from mines in the surrounding dis-  
trict: Donalds, Forestburg, Heisler,  
Revel Hill, Ryley, Dods, Toftield,  
and Halkirk.

England's 1933 wheat production  
was estimated by the ministry of agri-  
culture to be 1,569,000 tons, an in-  
crease of 464,000 tons over 1932.

The season's barley crop was calcu-  
lated to be 623,000 tons. This figure  
was 144,000 tons under the 1932  
production.

**CORRECTION**

In the report of the Kiwanis Club  
meeting last week, a typographical  
error appeared, when the name of Dr.  
Roshier was misspelled. The Doctor  
is associated with Dr. Shillabeer, and  
he gave an excellent address on  
"Prophylactic Medicine." 35-4th

**RATEPAYERS' MEETING**

The annual meeting of the rate-  
payers of the City of Wetaskiwin  
will be held in the dance hall of the  
Driard Hotel (city office entrance) on  
Thursday, December 7th, at 8 o'clock  
p.m. His Worship Mayor Thos. Tor-  
son in the chair. A full attendance  
is respectfully requested.

**WETASKIWIN CENTER**  
(Continued from Page 1)

The Wetaskiwin board of trade is  
a live body, with B. S. Wallace as  
president and Godfrey Baker sec-  
retary. The membership is about 200  
from town and country. To its credit,  
among other things, are the junior  
swine club, the senior standing grain  
feed crops competition, the annual  
seed fair, the junior grain judging  
competition and the annual school  
fair. The recent school fair, partici-  
pated in by 16 rural schools and the  
city schools, was a huge success,  
there being close to 2,000 entries.

The municipal district of Mont-  
gomery is one of the largest munici-  
palities in the province, containing  
11 townships. The \$1,500 in prizes

found about 50 miles west.

Ten miles south of the city lies the  
Hobema Indian reservation, a large  
block of rich land, some of which is  
well farmed by the redmen.

Wetaskiwin is one of the judicial  
districts of the province and has a  
fine courthouse, is also the hometown  
of William Irvine, M.P., and H. J.  
Montgomery, M.L.A. The mayor of  
the city is T. Torson, and J. E.  
Fraser fills the post of secretary.

**Fine Summer Resorts**

As ideal summer recreation  
grounds Pigeon and Battle lakes are  
famous for natural beauty and bath-  
ing beaches, also for good fishing. In  
the fall months the district affords  
excellent shooting. Big game may be

found about 50 miles west.

## The Place to Sell Dressed Poultry

THE WETASKIWIN PRODUCE CO.

We have been buying farm produce here for  
twenty-five years, and in all that time no firm has  
paid better prices. We want to serve you, so why  
not deal with the merchant who is ready to deal  
with you the year around, instead of with parties  
who try to pick off the business only when it is  
plentiful? They do not give you any more, and  
have no interest in our community. Here today  
and gone to-morrow, and no more money to you  
than you can get by dealing with firms ready to  
serve you all the time. Think this over and bring  
your poultry where you can get as fair a deal as  
anywhere.

ALWAYS AT YOUR SERVICE

**Was So Short of Breath  
Could Not Lie Down to Sleep**

Mrs. P. J. Chernoff, Shorncliffe, B.C., writes: "I had been so troubled with shortness of breath I could not lie down to sleep."

"I could not do any hard work, or climb the stairs and had such nervous and smothering feelings I became very weak."

"I tried all kinds of medicine, but got no relief until I had taken three boxes of Milburn's H. & N. Pills, and since then I have felt better in every way."

For sale at all drug and general stores; put up only by The T. Milburn Co., Limited, Toronto, Ont.

### IT PAYS TO KEEP MONEY AT HOME

Money spent at home circulates in the home town. This is well known, but few people have any idea of how many hands a bill passes through in the course of an ordinary business day. With the object of testing the adventures of currency, the mayor of Calgary recently tried out an interesting experiment. He pasted a five dollar bill on a sheet of cardboard, which had a notice on it asking each person accepting the bill to endorse on the card his particular business. That bill passed through sixty-one different hands in ten days, finally being returned to the mayor.

In starting on its journey he handed over the bill to a Calgary haberdasher in part payment for a new hat. The second endorsement showed that it had been paid to another store, and on the same day it was endorsed by a firm of florists who paid it to an automobile company, and so it went on from one business house to another, until, as stated, at the end of ten days the identical bill with its accompanying card, was received by the mayor, who had started it out ten days earlier.

The following summary gives the different hands the bill passed through and shows that practically every class of business benefits by money paid out during the course of ordinary transactions:

Dry Goods and Clothing	13
Hardware	3
Florists	1
Insurance	1
Cigar Stores	2
Ironworks	1
Cafe	1
Shoe Stores	2
Butcher	1
Grocers	1
Electrical	1
Autos and Garages	5
Banks	1
Telegraphs	1
Cartage Company	1
Unclassified	16
Druggists	4
Printers	3

The adventures of this bill should be a potent argument to put before mail order shoppers in proving to them that by spending money at home there is an excellent chance of the cash coming back to the original spender. Against this the money sent perhaps hundreds of miles away is a total loss so far as other local business men deriving any benefit from it.

### IMPERIAL BANK OF CANADA SHOWS UPWARD TREND

The annual statement of the Imperial bank of Canada to October 31 published elsewhere in this issue indicated trend of business in the Dominion is upward. In past 12 months lowest point was touched in January. Very early in April betterment was seen.

Deposits which had shown decreases for some years turned upward again, totals showing an increase of \$5,000,000 over a year ago. Instead of declining, as they had for some time, current loans remained steady and the bank's liquid assets increased by over \$5,000,000. Profits for the year were \$1,204,000, only slightly down. Of this, dividends at the rate of 10 per cent. required \$700,000.

Camrose, Nov. 24.—The Camrose Welfare League, at a meeting in the town hall Tuesday, launched its campaign of winter activities. The social service contributions of the Elks, Ladies of the Royal Purple, U.F.W.A. and the various churches will be centralized in the Welfare League, which will look after the work and distribution of goods for those in need.

### EDITOR'S CRITIQUE BRINGS BLACK EYES

ST. PAUL, Nov. 24. — Modern counterpart of the old saying "the pen is mightier than the sword" was demonstrated in police court here Wednesday when a sequel to a difference between the town newspaper-editor and an irate reader was aired. A. Robin was fined \$5 for assaulting G. LaRue who appeared in court with a pair of blackened optics.

Last week's issue of the St. Paul Journal contained what Mr. Robin contended was a scathing criticism of the way he operated the skating rink last winter. The following morning he called on the editor for an explanation. Words got so hot fists began to fly.

Magistrate Shortridge of Elk Point, who came to sit on the case in fining accused explained some of the privileges of the press.

**LIBERAL LEADER HAD AUTO STOLEN AT GLEICHEN**  
GLEICHEN, Alta., Nov. 25.—Stolen from a local garage, thieves who previously had obtained \$1,000 worth of merchandise in the robbery of a local store, escaped in an automobile owned by W. R. Howson, Liberal leader. The car was found abandoned in a ditch near Strathmore today, but there was no trace of the thieves.

**ALL INTERESTED IN DEVELOPING EXPORT BACON TRADE OPEN LETTER TO FARMERS AND**

Toronto, Ont., Nov. 16.

To the Editor of The Times.

Dear Sir,—

In the 45 weeks of 1933, to the week ending November 9th, hog deliveries have been 2,560,000 compared with 2,571,000 in the same period of 1932. Hog deliveries for the week of November 9th, 1933, were 64,700 compared with 50,300 for the corresponding week of 1932. In the same time the price of bacon hogs has advanced from \$3.70 to \$6.00 per hundred pounds on the Toronto market. Thus hog deliveries have increased and the domestic price of pork products has considerably advanced.

Along with this condition in pork products beef prices have fallen to low levels and domestic consumption is shifting from pork to beef. This is restricting the domestic outlet for pork. But the Ottawa Conference agreements have provided an assured outlet for bacon. For nine months to end of September, 1933, bacon exports to Britain were 51,527,000 lbs. compared with 24,685,000 in the same period of 1932. Exports continue to be on a heavy relative scale. Our one hope of maintaining and bettering hog prices is to increase our exports of bacon.

But here comes the rub. When in England lately the greatest complaint I heard with regard to Canadian bacon was lack of finish and light weights. Canadian packers in order to not over-burden the domestic market were forced to ship bacon that did not measure up to the desired quality. (There were faults in type and conformation, but that is another story.) If the hogs from which the bacon was made had been of the proper weights and finish the bacon situation would have greatly benefited.

It would appear that farmers do not understand the seriousness of this condition. At present it is impossible to get enough properly-finished hogs of the right weights to make the required quantities of export bacon and of best bacon for home use. A part of these unfinished and light weight hogs may be due to lack of feed but is not a great deal of it due to the fact that producers do not quite understand the importance of proper weight and finish.

This is the Message of This Letter  
The bulk of good bacon comes from the bacon and select grades of hogs. There is a range of weights in these

two grades of from 180 to 230 lbs. at the farm. It is probably natural for farmers to assume that when a hog has attained a weight of 180 lbs. in the bacon grade or 190 in the select grade, that this is as useful a weight for export or domestic purposes as any weight up to 230 lbs. Such is not the case. The low weights are the minimum and the high weights are the maximum that can be accepted. But it is very undesirable that the bulk of hogs should be either in the low or the high weights. The bulk of the hogs should be from 200 to 220 lbs. at the farm when not too full of feed.

Hogs are now coming in quantities at from 180 to 200 lbs. At these low weights many are unfinished and even a part of the heavier weights lack finish. This is disastrous to good prices for bacon in the export and domestic market and, of course, equally disastrous to good prices for hogs.

The difficulty of scarce feed supplies in some sections is fully recognized. But it will pay to finish the hogs that are on hand on the farm rather than flood the market with poor hogs. At from 180 to 230 lbs. hogs gain rapidly and make very economical use of feed. Hogs that are finished so as to make bacon or select grade bring from fifty cents to a dollar per hundred more than unfinished hogs. This will pay for purchased feed. At the same time the market will be strengthened instead of being weakened.

It is believed that if farmers fully understand the need for carrying their hogs until from 200 to 220 lbs. and having them properly finished, they will co-operate for the good of all.

Faithfully yours,  
S. E. Todd, Secretary,  
Industrial and Development  
Council of Meat Packers.

**PLAIN TRUTH**

A man may patronize the mail order houses for years—may send them in that time hundreds of dollars—and at the same time they wouldn't accommodate him for a two-cent stamp. This is the plain, unvarnished truth. If you think otherwise try it for yourself and see. These out-of-town houses do not know you—do not care to know you—are not interested in you in any way—only in the money you send them. Spend your money with our own townsmen, who know you for what you really are, who appreciate your worth, your business, your assistance in building up home interests.

## NEW NORWAY WEST

Miss Grace Borseth spent last week at Three Hills, visiting her sister Beulah, who is attending Bible School there.

BORN—To Mr. and Mrs. Harold Trussler on Nov. 26th, a daughter. Mrs. Harry Butler is the nurse in charge.

Oreille MacIntyre returned to his school at Camrose, after a week's absence. His sisters, Misses Gertrude and Anna, are staying at Camrose with him this week.

Victor Butler returned from a week's visit at Edmonton.

Mr. and Mrs. J. West and Mrs. Moan of Millet, were here last week to attend Mr. Robert McIntyre's funeral.

Frank Hoover returned last week to his home at Conrad, Mont., after spending three weeks here with relatives. His niece, Miss Eliza Johns, returned home with him for a visit.

Miss Beryl Smith went to Dornelle last week-end to visit the J. Haggerty home. From there she will go to Stettler, to visit her brothers, Percy and Carroll.

A. Trussler of Camrose, is visiting at the W. Hamron home.

Mrs. E. Pearson entertained the Hoover school boys Sunday afternoon in honor to her son James' 9th birthday.

Quite a change in the weather on November 26th and 27th, freezing up the ground and leaving the roads very rough. Last week several of the farmers were plowing, something very unusual for this part of Alberta this time of year.

Mr. and Mrs. Percy Connery and Miss M. Patrick spent last week-end at Camrose at the Patrick home.

Lara Ostad is quite ill, being confined to his bed.

Rev. C. E. A. Pocock of Okotoks, was here last week to assist Rev. Dr. Scott in the funeral services of Robert McIntyre.

M. McIntyre drove to Yeoford last week, taking Mrs. J. Gillis and Miss Margaret and Mrs. Hill home, after a two week stay here.

## CORRECTION

In the report of the L.O.B.A. of ficers published last week, the name of the Worthy Mistress should have read, "Sister Lyseng."

## BORN

SHIPLEY—in the Wetaskiwin hospital on the 28th inst., to Mr. and Mrs. Wm. Shipley of Water Glen, a daughter.

## TO THE PUBLIC:

The Wetaskiwin Booster Club is sponsoring this joint effort of placing Wetaskiwin as an ideal trading-center-before-the-public, being convinced that Wetaskiwin has all the services and facilities that go to make a community a good place to live in.

Wetaskiwin has always been fortunate in having skilled doctors, whether in the line of surgery, medicine or dentistry. Our hospital facilities, at the present time, equal anything in the much larger centers. Our schools stand for the highest educational standards. The hotel and restaurant service afforded in this community rank with the best. From the point of view of mechanical and farm implement service, tradesmen, grain marketing, farm produce and dairy establishments, these of Wetaskiwin are developed so efficiently as to always give the highest returns.

Keen competition has developed thoroughly experienced merchants who know the needs of Wetaskiwin and District, they carry a complete and varied stock that will always compare favorably with much larger centers, thus enabling you to buy your requirements near at home at the most competitive price. Your co-operation will help to create further useful and beneficial services to your direct advantage.

KENNEDY H. ORR,

Secretary of the Wetaskiwin Booster Club

The General Manager,  
Imperial Bank of Canada,  
TORONTO.

We report that we have examined the above condensed Balance Sheet as at 31st October, 1933, and have compared it with the books and vouchers at the Head Office and with the certified returns from the branches. We have obtained all the information and explanations that we have required and in our opinion the transactions of the Bank which have come under our notice have been within the powers of the Bank. In our opinion the above Balance Sheet discloses the true condition of the Bank, and is as shown by the books of the Bank. The above Balance Sheet does not include money which has been set aside by the Shareholders from time to time for the purpose of a Pension Fund.

## Premier Says Prices Of Primary Products Must be Raised

EDMONTON, NOV. 29.—Prices of primary products must be raised and until such time as they are there is no foundation upon which hope for better times can be built, declared Premier J. E. Brownlee, in addressing the twenty-fifth annual convention of the Alberta Association of Municipal Districts at the Masonic Temple on Thursday.

"People cannot continue to be cheerful, pay their taxes, and wear the smile that won't come off when wheat is hovering around 60 cents a bushel," declared Premier Brownlee.

"Live-stock men cannot prosper at prevailing prices for their goods."

He realized many pressing problems had to be dealt with.

"But, when we have discussed unemployment and all its ramifications,

PREMIER BROWNLEE

Who says prices of primary products must be raised.

when we have discussed the incidence of taxation and all related problems, there still remains one problem, which to the west as an agricultural area, is of the most vital importance, and that is the price of primary products," he said.

### Italy Grows More Wheat

The Premier then pointed out that only recently word had come from Italy stating that Mussolini had completed his eight year period and that as a result, Italy was growing more wheat than ever and had erected barriers against importation of wheat. Thus, Italy had been closed out as a foreign market for Canada. Raising of prices must receive the concentrated attention of leading minds of the country.

Turning his attention to the wheat problem of the world, the Premier remarked that the curtailment of acreage sown to this grain by 15 per cent as agreed at the World Economic Conference last summer, had been received with mixed feelings.

The Dominion and provincial governments in the near future would be co-operating in the dissemination of information on the subject and he appealed for all councillors, when going among their fellow-residents, to give the information forthcoming, careful consideration.

### 200,000,000 Bushels

As at July 31 last the Canadian wheat carryover was 200,000,000 bushels, he said. While it appeared on the face of it, in a purely agricultural country to say that one of the most beneficial things that could happen this year, did happen in that that crop was small, this was the fact of the matter.

Since July 31 and to date there had been 30,000,000 bushels less wheat exported than from July 31, 1932 to this date of the same year.

"We had hoped that with a poor crop this year, our carryover would be reduced. But these export figures do not give us much hope for encouragement for the future. I sincerely hope that each and every one of you here assembled, will realize the significance of the wheat problem. The tremendous surplus we now have is the collective result of the years and being a great weight on the market, it is keeping prices down."

The roots of the prevailing economic situation were laid in 1928 and the depression actually came in 1929.

### Plea for Sanity

A plea for sanity in dealing with the solving of major problems, was made by the premier. "I do not object to radicalism," he said. "As a matter of fact, there is more radicalism in the world today than for several decades past. My recent experience as a member of the Royal Commission on Banking and Finance led me to look for radicalism in places where it was least expected."

"I am not pleading for conservatism of thought. I want radicalism, but I want a sensible radicalism. But there are theories being advocated in this province today by at least one organization, that are absolutely without any sane foundation. Concluded on Page 14

# Twelve Reasons

Why You Should Ship to the  
NORTHERN ALBERTA DAIRY POOL

EDMONTON or WETASKIWIN

1. It is one of the most successful producer co-operative organizations in Canada.
2. It is owned, controlled and operated by over 3,200 active producers.
3. It pays no dividends on watered stock.
4. None of its profits go to private investors as under the capitalistic system.
5. It returns all of the manufacturing and marketing profits to those who supply the cream and milk the cows.
6. It is financed on a sound basis, having \$101,728.00 invested to the credit of its members in capital investment and reserves.
7. It has earned profits and reserves for its members amounting to \$153,488.00 in less than five years.
8. It has paid to its members \$51,762.00 in cash dividends in less than five years.
9. It pays transportation costs on all cream shipments received.
10. Its cream payments are based on government licensed graders' reports, re weights, grades and tests.
11. It sells its butter in its own registered brands direct to the retail trade.
12. It is working for the producer right from the farm to the consumer's table.

## Eczema Broke Out On Her Face and Arms

# BURDOCK BLOOD BITTERS

For the past 55 years  
MANUFACTURED ONLY BY  
THE T. HILBURN CO., Limited  
Toronto, Ont.

Miss Mary Ema, Hague, Sask., writes: "My blood was in a terrible condition and my face and arms broke out with eczema."

I started using blood cleansers of various kinds, but it was of no avail. One day I read about Burdock Blood Bitters, but being so discouraged, because all other methods had failed, I was rather skeptical about trying it, but after having taken six bottles I was perfectly satisfied as my skin was left clean and healthy looking."

## COMMUNICATION

[We do not necessarily endorse the sentiments advanced by this or any other correspondent under this heading.—Ed.]

To the Editor:

Dear Sir:

In reply to Messrs. Richards and Perler's challenge to a bridge contest, my partner and I would be delighted to play them, but being ordinary working men, we cannot see our way to take up their challenge, but if they care to make the position in keeping with the times, we will accept their challenge. I do not think the Welfare League would turn down a small donation on their part, but accept it gladly.

## Town Topics

Mr. A. Kotofed, local representative for the Metropolitan Life Insurance Co., will leave for Edmonton on Sunday to take a position in the office of the company at that point. He will continue to make calls in Camrose during the first week in each month. Mrs. Kotofed and small son will go to Saskatoon on Saturday to be with her parents. Mr. and Mrs. P. J. Evison, until after the Christmas holidays.—Canadian.

J. Dewey Soper, Ottawa, of the Department of the Interior in the Dominion government, was elected a full member of the North American Ornithologists' Union in convention at New York on Tuesday of last week. This signal honor is accorded only to persons who have made some valuable contribution to ornithology. Mr. Soper is well known in central Alberta, having graduated from the University of Alberta some years ago. He became noted as the discoverer of the nesting grounds of the blue goose at Baffin Land in 1929. He is at present located at Ft. Smith where he has headquarters for making a scientific study of the habits and diseases of the buffalo. Mr. Soper has several friends in Camrose. His wife is the former Miss Freeman of Gwynne.—Canadian.

## CARD OF THANKS

We wish to thank our neighbors and friends for their kind assistance and expressions of sympathy during our recent very sad bereavement. Also for the numerous floral tributes. Erick Post and Family.

## Children's Coughs and Colds Go Overnight

Mother, don't worry when one of the little ones has a bad cold or cough—just get a bottle of BUCKLEY'S MIXTURE and mix with equal parts of honey. "It acts like a flash." One little pleasant dose will give unmistakable relief. Two doses often end a bad cold.

And don't forget—BUCKLEY'S MIXTURE will rid you or daddy of a cough, cold, flu or bronchitis just as quickly. Its lightning-quick action will amaze you. Play safe. Refuse substitutes. Buckley's is sold everywhere.

## A BANKRUPT WORLD

According to Sir George Paish the entire world is bankrupt but refuses to admit it. That is, the debtors cannot pay their debts but don't want to say so. Many words, while the creditors know that they cannot pay, but hate to let them get away with it.

World bankruptcy opens up an interesting field of economic speculation. If the whole area is considered as a unit it is apparent that it includes all the debtors and all the creditors and that as all the debts are exactly equal to all the credits then the payment of the debts would mean simply a redistribution of wealth within the area but would mean no change whatever with regard to the total wealth within the area.—Manitoba Co-operator.

## MUNICIPALITIES

### CUT EXPENDITURES

Edmonton, Nov. 22.—By cutting expenditure to comparative income Alberta municipalities in 1932-1933 have reduced taxation and have generally placed themselves in a "gratifying" position under existing conditions, declared Frank H. Holmes, Beaver Mines, in delivering his presidential report to the 25th annual convention of the Alberta Association of Municipal Districts, now in session.

## Druggist Tells Easy Way to End Bladder Weakness

Pleasant, Inexpensive Home Treatment Quickly Relieves Daily Irritation and Getting-Up-Nights

## Catarrhal Deafness and Head Noises

TELLS SAFE, SIMPLE WAY TO TREAT AND RELIEVE AT HOME

If you have catarrh, catarrhal deafness or head noises caused by catarrh, or if phlegm drops in your throat and has caused catarrh of the stomach or bowels you will be glad to know that these distressing symptoms may be entirely overcome in many instances by the following treatment which you can easily prepare in your own home at little cost. Secure from your druggist 1 ounce of Parmit (Double Strength). Take this home and add to it 1/4 pint of hot water and a little granulated sugar; stir until dissolved. Take one tablespoonful four times a day. An improvement is sometimes noted after the first day's treatment. Breathing should become easy, while the distressing head noises, headaches, dullness, cloudy thinking, etc., should gradually disappear under the tonic action of the treatment. Loss of smell, taste, defective hearing and mucus dropping in the back of the throat are other symptoms which suggest the presence of catarrh and which may often be overcome by this efficacious treatment. It is said that nearly ninety per cent of all ear troubles are caused by catarrh and there must, therefore, be many people whose hearing may be restored by this simple, harmless, home treatment.

Issued by Publicity Commissioner, Government Buildings, Edmonton, Saturday, November 25th, 1933.

Notable Victories at Toronto

The first three days of judging at the royal winter fair at Toronto this year have already brought this province notable victories in both grain and live stock. One of these was the winning of a first prize and reserve championship by Jos. Haggerty of Olds, with a four-year-old Clyde gelding in a class in which he had stiff competition from recently imported stock. With the same animal he took third place in the special class for farm-owned animals, in a lineup of thirty entries.

Another fine record is also being made this year by the two exhibitors in Holsteins, Hays & Co. of Calgary, and the C.P.R. farms at Strathmore. Last year, these two exhibitors rather astounded the dairy cattle competitors from the older parts of the continent by sweeping the boards in a number of classes. On Thursday the C.P.R. farm won top place in the class for aged cows not in milk, with their entry "Wayne Sylvia." This eight-year-old cow beat a famous female from the Maytag farms in Iowa. Hays & Co. had tenth in the same class. In a very stiff class of Holstein senior bull calves, Hays & Co. won a first on Hay's "Aristocracy." In the three-year-old bull class, Hays & Co. came third and the C.P.R. fourth. Of the first ten bulls in this class, five were bred in Alberta.

Alberta is also in the front rank again at Toronto with its poultry exhibits. In turkeys, which is Alberta's special field, there were 12 entries, and nine prizes have been taken, including two firsts, one by the department of agriculture in young hens, and one by Miss Elsie Richards on Czar, in young toms. Other winners in turkeys were Mrs. Cookston of Tofield, Mrs. Macdonald of Olds, Mrs. Frank Houscher of Czar, and Mrs. John Bird of Innisfail.

Gilbert Young of DeWinton, practically swept the boards in rose-comb white Leghorns, winning four firsts and a second. Jas. Reid and Jas. Smith, both of Calgary, were winners in Rhode Island Reds.

In the grain section Alberta has done equally well. The Canadian grand championship and first prize in

win, fifth, and the Lethbridge Northern Irrigation District, seventh. A Griffin of Brooks, scored first in field beans in the section for grain in sacks, and Nels Linden scored a second in six-rowed barley in the same section, while Lister Ball of Edmonton, got a second in white oats.

In the clover and grass seed classes, all the important firsts came to Alberta, with W. J. Bryant of Boyle, at the top in sweet clover, D. Dahl of Duchess in alsike, S. Harrop of Hualien in bromo grass, and A. M. Smith of Wembley in western ryegrass.

In the junior grain club classes the youngsters from Alberta, just about swept the boards. In wheat first place went to Saskatchewan, but this was followed by a long string of winners from Alberta, with Jos. Kall of Tofield, second; his brother Edward third Peter Sebastian of Wembley, fourth, and his brother Paul fifth; Jos. Schultz of Athabasca sixth; Geo. Stuart of Stony Plain seventh, and Wm. Rhy of Wembley fourteenth. In oats, medium or late, Arthur Pethybridge of Tees was first, Carl Lugar of Oshawa was second, Jos. McLeellan of Carrot Creek, eighth; Keith Acorn of Peers, eleventh and David Silver of Huxley, twelfth.

Rural Parks The possibility of establishing pleasure grounds and parks in the rural municipal districts which fortunate enough to have lakes rivers within their boundaries, came a live topic at the convention of rural municipal districts, Hon. R. G. Reid, minister of land and mines, called the attention of rural councilors to the offer made by the provincial lands department reserve land for this purpose at lake or river front, where such happens to be owned at present the government. Several such reservations have already been made by number of rural councils. The land is granted on a long lease at a small fee.

Chilled Beef Shipment An interesting angle on new trends in live stock marketing is given in the announcement that the first shipment of chilled beef to leave western Canada for the British market went forward from Winnipeg week. This shipment was a success and its reception will

**Catarrhal Deafness  
and Head Noises**TELLS SAFE, SIMPLE WAY TO  
TREAT AND RELIEVE AT HOME

If you have catarrh, catarrhal deafness or head noises caused by catarrh, or if phlegm drops in your throat and has caused catarrh of the stomach or bowels you will be glad to know that these distressing symptoms may be entirely overcome in many instances by the following treatment which you can easily prepare in your own home at little cost. Secure from your druggist 1 ounce of Pepsin (Double Strength). Take this home and add to it 1/4 pint of hot water and a little granulated sugar; stir until dissolved. Take one tablespoonful four times a day. An improvement is sometimes noted after the first day's treatment. Breathing should become easy, while the distressing head noises, head aches, dullness, cloudy thinking, etc., should gradually disappear under the tonic action of the treatment. Loss of smell, taste, defective hearing and mucus dropping in the back of the throat are other symptoms which suggest the presence of catarrh and which may often be overcome by this efficacious treatment. It is said that nearly ninety per cent of all ear troubles are caused by catarrh and there must, therefore, be many people whose hearing may be restored by this simple, harmless, home treatment.

**Alberta News Letter**(Issued by Publicity Commissioner,  
Government Buildings, Edmonton,  
Saturday, November 25th, 1933.)

Notable victories at Toronto.  
The first three days of judging at the royal winter fair at Toronto this year have already brought this province notable victories in both grains and live stock. One of these was the winning of a first prize and reserve championship by Joe Haggerty of Olds, with a four-year-old Clyde gelding in a class in which he had stiff competition from recently imported stock. With the same animal he took third place in the special class for farm-owned animals, in a line-up of thirty entries.

Another fine record is also being made this year by the two exhibitors in Holsteins, Hays & Co. of Calgary, and the C.P.R. farms at Strathmore. Last year, these two exhibitors rather astounded the dairy cattle competitors from the older parts of the continent by sweeping the boards in a number of classes. On Thursday the C.P.R. farm won top place in the class for aged cows not in milk, with their entry "Wayne Sylvia." This eight-year-old cow beat a famous female from the Maytag farms in Iowa. Hays & Co. had tenth in the same class. In a very stiff class of Holstein senior bull calves, Hays & Co. won a first on Hay's "Aristocracy." In the three-year-old bull class, Hays & Co. came third and the C.P.R. fourth. Of the first ten bulls in this class, five were bred in Alberta.

Alberta is also in the front rank again at Toronto with its poultry exhibits. In turkeys, which is Alberta's special field, there were 12 entries, and nine prizes have been taken, including two firsts, one by the department of agriculture in young hens, and one by Miss Elsie Richards on Caesar, in young toms. Other winners in turkeys were Mrs. Cookson of To-field, Mrs. Macdonald of Olds, Mrs. Frank Hoosher of Cejar, and Mrs. John Bird of Inglefield.

Gilbert Young of DeWinton, practically swept the boards in rose-comb white Leghorns, winning four firsts and a second. Jas. Reid and Jas. Smith, both of Calgary, were winners in Rhode Island Reds.

In the grain section Alberta has done equally well. The Canadian grand championship and first prize in

win, fifth, and the Lethbridge Northern Irrigation District, seventh. A Griffith of Brooks, scored first in flax beans in the section for grain, Haskells, and New Linton scored a second in six-rowed barley in the same section, while Lister Ball of Edmonton, got a second in white oats.

In the clover and grass seed class, all the important firsts came to Alberta, with W. J. Bryant of Boyle at the top in sweet clover, D. Dal of Dundas in alfalfa, S. Harrop of Hualien in brome grass, and A. M. Smith of Wembley in western ryegrass.

In the junior grain club classes the youngsters from Alberta just about swept the boards. In wheat first place went to Saskatchewan, but this was followed by a long string of winners from Alberta, with Jos. Kall of Toke, second; his brother, Peter, third; Peter Sebastian of Wembley, fourth, and his brother Peter, fifth; Jos. Schultz of Athabasca, sixth; Geo. Shaul of Stony Plain, seventh, and Wm. Rigby of Wembley, eighth. In oats, medium or large, Arthur Pethybridge of Tees was first. Carl Lugar of Onatow was second. Jos. McEllan of Garbutt Creek, ninth; Keith Acorn of Peers, eleventh; and David Silver of Huxley, twelfth.

Rural Parks  
The possibility of establishing pleasure grounds and parks in the rural municipal districts which fortunate enough to have lakes rivers within their boundaries, came a live topic at the convention of rural municipal districts held at Hon. R. C. Reid, minister of land and mines, called the attention of rural councilors to the offer made by the provincial lands department reserve land for this purpose at lake or river front, where such a happens to be owned at present the government. Several such reservations have already been made in number of rural councils. The is granted on a long lease at a nominal fee.

Chilled Beef Shipment  
An interesting angle on new trends in live stock marketing is given by the announcement that the first shipment of chilled beef to leave Western Canada for the British market went forward from Winnipeg last week. This shipment was a sub-week and its reception will

Continued from Page 9  
This organization is advocating something in this province known to be unsound; so much so that the same organization is not using it in any other province of Canada.

The tradition of the Anglo-Saxon race was that great crises had been met with good responsible government, which had triumphed over all barriers.

Much Could Be Done  
As representatives of municipal organizations, the delegates took their strategic positions close to the people and much could be done by them to solve major problems.

On the subject of unemployment, the Premier said that the time was ripe when money spent for good public works would not only be for the public good, but would give impetus to general recovery.

He congratulated the municipalities on the splendid financial showing they had made in the last year. He did however, note that they were complaining of having increased responsibilities thrust upon them.

He was not altogether sure that the government had not lightened their responsibilities. The theory was advanced that the unemployment problem had been passed from municipalities to the province and then on to the Dominion. If it were not for unemployment expenditures, provincial financial would be in much better shape.

"If we passed on to you what was done in some other provinces," you would not be making the splendid showing you are," he said. "And I am not saying this in a political sense."

Child's Cold

Rub on  
**VICKS VAPORUB**  
the proved way of relieving colds

The minute you apply Vicks VapoRub over throat and chest it goes right to work to fight a cold — two ways at once — by Stimulation and Inhalation. Through the skin, it acts like a poultice, "drawing out" tightness and soreness. At the same time, its medicated vapors are inhaled direct to irritated air-passages. All night long, it works to help Nature "throw off" the cold.

**Ideal for Children's Colds**  
Being externally applied, VapoRub avoids the risks of those digestive upsets that so often come from constant dosing. It can be used freely, and as often as needed, even on the youngest child. And it's just as good for adults.

## Alberta News Letter

(Issued by Publicity Commissioner,  
Government Buildings, Edmonton,  
Saturday, November 25th, 1933.)

Notable Victories at Toronto

The first three days of judging at

the royal winter fair at Toronto this

year have already brought this province

notable victories in both grains

and live stock. One of these was the

winning of a first prize and reserve

championship by Joe Haggerty of

Olds, with a four-year-old Clyde

gelding in a class in which he had

stiff competition from, recently im-

ported stock. With the same animal

he took third place in the special

class for farm-owned animals, in a

line-up of dairy entries.

Another fine record is also being

made this year by the two exhibitors

in Holsteins, Hays & Co., of Calgary,

and the C.P.R. farms at Strathmore.

Last year, these two exhibitors rather

astounded the dairy cattle competitors

from the older parts of the continent

by sweeping the boards in a number

of classes. On Thursday the C.P.R.

farm won top place in the class for

aged cows not in milk, with their

entry "Wayne Sylvia." This eight-

year-old cow beat a famous female

from the Maytag farms in Iowa. Hays

& Co. had tenth in the same class.

In a very stiff class of Holstein senior

bull calves, Hays & Co. won a first

on Hay's "Aristocracy." In the three-

year-old bull class, Hays & Co. came

third and the C.P.R. fourth. Of the

first ten bulls in this class, five were

bred in Alberta.

Alberta is also in the front rank

again at Toronto with its poultry ex-

hibits. In turkeys, which is Alberta's

special field, there were 12 entries,

and nine prizes have been taken, in-

cluding two firsts, one by the depart-

ment of agriculture in young hens, and

one by Miss Elsie Richards on

Czar, and young toms. Other winners

in turkeys were Mrs. Cookston of To-

field, Mrs. Macdonald of Olds, Mrs.

Frank Houcher of Czar, and Mrs.

John Bird of Innisfail.

Gilbert Young of DeWinton, prac-

tically swept the boards in rose-com-

bedded Leghorns, winning four firsts

and second. Jas. Reid and Jas.

Smith, both of Calgary, were winners

in Rhode Island Reds.

In the grain section Alberta has

done equally well. The Canadian

grand championship and first prize in

spring wheat went to the Smith farms

at Lethbridge, and first place in regis-

tered spring wheat went to Had-

lington Bros. of the same place. An-

drew Giffen of Okotoks, won first in

two-rowed barley, and other notable

winners in wheat were Wm. Rigby of

Wembley, Stephen Harrington of

Marwayne, Peter Rock of Morris, J.

Hefferman of Granger, and Mark

Bearse of Vauxhall. In oats Mr. Rock

was second; L. C. Anderson, Bitters

Lake, third; Nels Linden, Wetaski-

win.

win, fifth, and the Lethbridge North-

west Irrigation District, seventh. A.

Griffin of Brooks, scored first in field

beans in the section for grain in

ascks, and Nels Linden scored a sec-

ond in sikrowed barley in the same

section, while Lister Ball of Edmon-

ton, got a second in white oats.

In the clover and grass seed classes,

all the important prizes came to

Alberta, with W. J. Bryant of Boyle,

at the top in sweet clover, D. Dahl

of Duchesne in alsike, S. Harrop of

Huallien in brome grass, and A. M.

Smith of Wembley in western ryegrass.

In the junior grain club classes,

the youngsters from Alberta just

about swept the boards. In wheat,

first place went to Saskatchewan, but

this was followed by a long string of

wins from Alberta, with Jos. Kallal

of Tofield, second; his brother Ed-

ward third Peter Sebastian of Wem-

bley, fourth, and his brother Paul,

fifth; Jos. Schultz of Athabasca,

### PREMIER BROWNLEE SAYS PRICES OF PRIMARY PRODUCTS MUST BE RAISED

Continued from Page 9  
This organization is advocating something in this province known to be unsound; so much so that the same organization is not using it in any other province of Canada."

The tradition of the Anglo-Saxon race was that great crises had been met with good government, which had triumphed over all barriers.

Much Could Be Done  
As representatives of municipal organizations, the delegates took their strategic positions close to the people and much could be done by them to solve major problems.

On the subject of unemployment, the Premier said that the time was ripe when money spent for good public works would not only be for the public good, but would give impetus to general recovery.

He congratulated the municipalities on the splendid financial showing they had made in the last year. He did however, note that they were complaining of having increased responsibilities thrust upon them.

He was not altogether sure that the government had not lightened their responsibilities. The theory was advanced that the unemployment problem had been passed from municipalities to the province and then on to the Dominion. If it were not for unemployment expenditures, provincial financial would be in much better shape.

"If we passed on to you what was done in some other provinces, you would not be making the splendid showing you are," he said. "And I am not saying this in a political sense. I may also say that relief costs are still mounting."

Co-Operation Sought  
He reminded the gathering that the province had taken from the municipalities practically the entire burden of single men's relief. People were coming from municipalities to the cities, thus forcing the provincial and Dominion governments to take care of them. He had heard rumors of an attempted passive resistance to tax payments and he sought the co-operation of the councillors in counteracting any such move.

Data was being gathered by the government on the whole incidence of taxation and the information would prove enlightening.

### THE COMMON-PLACE BOY

A mother once owned just a common-place boy,

A shock-headed boy,

A freckle-faced boy,

But thought he was handsome, and said so with joy,

For mothers are funny, you know, Quite so—

About their sons' beauty, you know.

His nose, one could see, was not Grecian, but pug,

And turned up quite snug,

Like the nose of a jug;

But she said it was "pliquant," and gave him a hug;

For mothers are funny, you know, Quite so—

About their sons' beauty, you know.

His eyes were quite small, and he blinked in the sun;

But she said it was done As a mere piece of fun

And gave an expression of wit to his son;

For mothers are funny, you know! Quite so—

About their sons' beauty, you know.

The curly love-locks that covered his head,

She never called red.

But asburn instead.

"The color the old Masters painted," she said;

For mothers are funny, you know, Quite so—

About their sons' beauty, you know.

Now boys, when your mothers talk so let it pass;

Don't look in the glass,

Like a vain, silly lass,

But go tend the baby, pick chips,

Be as good as you're pretty, you know,

Quite so—

Be as good as you're pretty, you know.

GEORGE E. JOHNSTON  
Phone R910 WetaskiwinTwo colored private were discuss-  
ing the relative merits of their bug-  
lers: "Why man, dat bugler of mah  
regiment am so good dat when he  
plays 'Pay Day' it sounds exactly lak  
de symphony orchestra playing 'De  
Roseary'.""Hush yo mout, nigger. When  
Snowball Jones wraps his lips round  
his bugle an' plays de mess call, ah  
looks down at mah beans an' say:  
"Strawberries, behave yo'self, yo'  
klickin' de whipped cream out of de  
dish!"Catarrhal Deafness  
and Head NoisesTREAT SAFE, SIMPLE WAY TO  
TREAT AND RELIEVE AT HOMEIf you have catarrh, catarrhal deaf-  
ness or head noises caused by catarrh,  
or if phlegm drops in your throat and  
has caused catarrh of the stomach or  
bowels you will be glad to know that  
these distressing symptoms may be  
entirely overcome in many instances  
by the following treatment which  
you can easily prepare in your own  
home at little cost. Secure from your  
druggist 1 ounce of Parmin (Double  
Strength). Take this home and add  
to it 1 1/2 pint of hot water and a little  
granulated sugar; stir until dissolved.  
Take one tablespoonful four times a  
day. An improvement is sometimes  
noted after the first day's treatment.  
Breathing should become easy, while  
the distressing head noises, head-  
aches, dullness, cloudy thinking, etc.,  
should gradually disappear under the  
tonic action of the treatment. Loss  
of smell, taste, defective hearing and  
mucus dropping in the back of the  
throat are other symptoms which sug-  
gest the presence of catarrh and  
which may often be overcome by this  
efficacious treatment. It is said  
that nearly ninety per cent of all ear  
troubles are caused by catarrh and  
there must, therefore, be many peo-  
ple whose hearing may be restored  
by this simple, harmless, home treat-  
ment.

Instantly!Remember: Only Medicine Helps Sore Throat  
Modern medical science now throws  
an entirely new light on sore throat.  
A way that eases the pain, rawness  
and irritation in as little as two or  
three minutes!  
It requires medicine—like  
ASPIRIN—to do these things!  
That is why throat specialists  
throughout the world are prescrib-  
ing this ASPIRIN gargle in place  
of old-time ways.  
Be careful, however, that you get  
Aspirin Tablets for this purpose.Dr. Wood's Dry, Hacking Cough  
Nearly Choked HerMrs. O. C. Scheide, Duhamel, Alta., writes:—"I had  
a terrible dry, hacking cough which would nearly  
choke me."  
I tried all kinds of medicine to get rid of it, but  
they never helped me and my cough was so bad  
I then got a bottle of Dr. Wood's Norway Pine Syrup  
and in a few days my cough was all gone, thanks to  
this valuable medicine. Now I always keep a bottle  
of 'Dr. Wood's' on hand."  
Price, 35c a bottle; large family size, 65c, at all  
drug and general stores; put up only by The T. Mil-  
burn Co., Limited, Toronto, Ont.

## Alberta News Letter

(Issued by Publicity Commissioner,  
Government Buildings, Edmonton,  
Saturday, November 25th, 1933).Notable Victories at Toronto  
The first three days of judging at  
the royal winter fair at Toronto this  
year have already brought this pro-  
vince notable victories in both grains  
and live stock. One of these was the  
winning of a first prize and reserve  
championship by Jos. Hagerly of  
Olds, with a four-year-old Clyde  
golding in a class in which he had  
stiff competition from, recently im-  
ported stock. With the same animal  
he took third place in the special  
class for farm-owned animals, in a  
lineup of thirty entries.Another fine record is also being  
made this year by the two exhibitors  
in Holsteins, Hays & Co. of Calgary,  
and the C.P.R. farms at Strathmore.  
Last year, these two exhibitors rather  
astonished the dairy cattle competitors  
from the older parts of the continent  
by sweeping the boards in a number  
of classes. On Thursday the C.P.R.  
farm won top place in the class for  
aged cows not in milk, with their  
entry "Wayne Sylvia." This eight-  
year-old cow beat a famous female  
from the Maytag farms in Iowa. Hays  
& Co. had tenth in the same class.  
In a very stiff class of Holstein senior  
bull calves, Hays & Co. won a first  
on Hay's "Aristocrat." In the three-  
year-old bull class, Hays & Co. came  
third and the C.P.R. fourth. Of the  
first ten bulls in this class, five were  
bred in Alberta.Alberta is also in the front rank  
again at Toronto with its poultry ex-  
hibits. In turkeys, which is Alberta's  
special field, there were 12 entries,  
and nine prizes have been taken, in-  
cluding two firsts, one by the depart-  
ment of agriculture in young hens  
and one by Miss Elsie Richards on  
Czar, in young toms. Other winners  
in turkeys were Mrs. Cookson of To-  
field, Mrs. Macdonald of Olds, Mrs.  
Frank Houscher of Czar, and Mrs.  
John Bird of Innisfail.Gilbert Young of DeWinton, prac-  
tically swept the boards in rose-comb  
white Leghorns, winning four firsts  
and a second. Jas. Reid and Jas.  
Smith, both of Calgary, were winners  
in Rhode Island Reds.In the grain section Alberta has  
done equally well. The Canadian  
grand championship and first prize in  
spring wheat went to the Smith farms  
at Lethbridge, and first place in regis-  
tered spring wheat went to Had-  
ington Bros. of the same place. An-  
drew Giffen of Okotoks, won first in  
two-rowed barley, and other notable  
winners in wheat were Wm. Rigby of  
Wembley, Stephen Harrington of  
Marwayne, Peter Rock of Morrin, J.  
Hoffmann of Granger, and Mark  
Beards of Vauxhall. In oats Mr. Rock  
was second; L. C. Anderson, Bittern  
Lake, third; Neils Linden, Wetaski-win, fifth, and the Lethbridge North-  
ern Irrigation District, seventh. A.  
Griffin of Brooks, scored first in field  
beans in the section for grain in  
ascols, and Neils Linden scored a sec-  
ond in six-rowed barley in the same  
section, while Lister Ball of Edmon-  
ton, got a second in white oats.In the clover and grass seed clas-  
ses, all the important prizes came to  
Alberta, with W. J. Bryant of Boyle,  
at the top in sweet clover, D. Dahl  
of Dachsen in alsike, S. Harrop of  
Hualien in brome grass, and A. M.  
Smith of Wembley in western ryegrass.In the junior grain club classes,  
the youngsters from Alberta just  
about swept the boards. In wheat,  
first place went to Saskatchewan, but  
this was followed by a long string of  
wins from Alberta, with Jos. Kallal  
of Tofield, second; his brother Ed-  
ward third; Peter Sebastian of Wem-  
bley, fourth, and his brother Paul,  
fifth; Jos. Schultz of Athabasca,  
sixth; Geo. Shaul of Stony Plain,  
eleventh, and Wm. Rigby of Wembley  
fourteenth. In oats, medium or late,  
Arthur Pethybridge of Tees was first;  
Carl Lugar of Oatton was second;  
Jos. McLehlan of Carrot Creek, sev-  
enth; Keith Acorn of Peers, eleventh  
and David Silver of Huxley, twelfth.Rural Parks  
The possibility of establishing  
pleasure grounds and parks in those  
rural municipal districts which are  
fortunate enough to have lakes or  
rivers within their boundaries, be-  
came a live topic at the convention  
of rural municipal districts when  
Hon. R. G. Reid, minister of lands  
and mines, called the attention of  
the rural councillors to the offer made  
by the provincial lands department to  
reserve land for this purpose along  
lake or river fronts, where such land  
happens to be owned at present by  
the government. Several such reserv-  
ations have already been made by a  
number of rural councils. The land  
is granted on a long lease at a nom-  
inal fee.Chilled Beef Shipment  
An interesting auction on new trends  
in stock marketing is given by  
the announcement that the first ship-  
ment of chilled beef to leave West-  
ern Canada for the British market,  
went forward from Winnipeg last  
week. This shipment was a substan-  
tial one, and its reception will be  
watched with interest.Closed Season for Fish  
Closed season is now in effect for  
both whitefish in Alberta lakes, and  
for angling in the various rivers and  
streams of the province, and infrac-  
tions of the regulations in this con-  
nection are being firmly dealt with,  
declared Hon. R. G. Reid, minister of  
lands and mines. Several convictions  
have already been recorded. "It  
is of first importance that the seri-  
ousness of such infractions should be  
emphasized," said Mr. Reid. "There  
is a very definite reason for a closed  
season, and that is to protect the fish  
during the spawning season, and con-  
sequently to insure a continuance of  
the supplies of the fish in our lakes  
and streams. Were there no closed  
season, the supplies would very soon  
be depleted."Alberta's Rhodes Scholar  
Alberta's Rhodes Scholar for 1933  
is R. L. D. Fenerty, son of a promi-  
nent barrister at Calgary. He will take  
up residence at Oxford in October,  
1934.100-Year Old Alberta Pioneer  
Andrew Sibbald, Alberta's first  
school teacher, attained the age of  
100 years on November 19th, and at  
his home in Banff, was the recipient  
of many congratulations, including  
messages from Premier Bennett and  
Premier Brownlee and Lieutenant-  
Governor Walsh. Mr. Sibbald came  
to this territory 58 years ago.

## CANADIAN AGRICULTURE

In spite of the large acreage, the  
third largest in history, and despite  
excellent prospects early in the sea-  
son, the wheat crop in Western Can-  
ada is officially estimated at 264  
million bushels and the total wheat  
crop for the country will amount to  
only 283 million bushels. In view of  
the carryover from last year's crop,  
212 million bushels, and domestic re-  
quirements of 120 million bushels,  
the amount potentially available for  
export is 375 million bushels. Before  
the wheat agreement was reached,  
Broomhall had estimated Canada's  
probable exports as 192 million bush-  
els, and under the agreement the to-  
tal was fixed at 200 million bushels.  
Should the present crop estimates be  
confirmed and should wheat ex-  
ports come up to these expectations,  
the carryover at the end of the year  
will be reduced to about 175 million  
bushels.—Royal Bank Circular.The Times' subscription list is open  
at all times for inspection by its ad-  
vertisers. Remember this when you  
wish to advertise.SHE ATE ALL-BRAN  
TWELVE YEARS WITH  
FINE RESULTSDelicious Cereal Relieves  
Constipation

Read this very enthusiastic letter:

"Something like eleven or twelve  
years ago, I began eating Kellogg's  
ALL-BRAN. When I started, it was  
called simply Kellogg's Bran, and I  
believe it was one of the first prod-  
ucts of the kind on the market.""My friends often laugh at my  
fondness for ALL-BRAN. It gives  
such a clean taste in the mouth, and  
I do not feel satisfied until I have  
had my ALL-BRAN.""If the Kellogg Company should  
ever stop manufacturing ALL-BRAN,  
there is one who would be greatly  
disappointed."—Miss Amy Person.  
(Address furnished upon request.)Science says that ALL-BRAN pro-  
vides "bulk" to exercise the intes-  
tines, and vitamin B to further aid  
regularity. Also iron for the blood.  
"The 'bulk' in ALL-BRAN is much  
like that of leafy vegetables. How  
much safer than taking patent  
medicines—often harmful. Just eat  
two tablespoonfuls daily for most  
types of constipation. For serious  
cases, try it three times daily. If  
not relieved this way, see your  
doctor."Sold in the red-and-green pack-  
age. At all grocers. Made by  
Kellogg in London, Ontario.

## THE PHILOSOPHER

I saw him sitting in his door,  
Trembling as old men do;  
His house was old, his barn was old,  
And yet his eyes seemed new.His eyes had seen three times many  
years,  
And kept a twinkle still,  
Though they had looked at birth and  
death  
And three graves on a hill."I will sit down with you," I said,  
"And you will make me wise;  
Tell me how you have kept the joy  
Still burning in your eyes."Then, like an old time orator  
Impressively he rose;  
"I make the most of all that comes,  
And the least of all that goes."The jingling rhythm of his words  
Echoed as old songs do;  
Yet his had kept his eyes alight  
Till he was ninety-two.

—Sara Teasdale.

## ABDOMINAL

The pharmacist was instructing  
his errand boy to deliver a pre-  
scription to Mr. Crummach. "Re-  
member, Crummach rhymes with  
stomach."Two hours later the boy returned  
and said, "I can't find Mr. Kelly."

# TWO BIG SALES IN ONE!

## WETASKIWIN'S COMMUNITY THREE DAYS' SALE and Our Twenty-first ANNIVERSARY SALE!

Coming at a time when we may possibly record the birth of the Community Sale idea in this city at our coming of age bargain celebration. And what a celebration this is going to be to the buying public. These two sales together become doubly significant, and we are going to make it the supreme merchandising achievement, an event that will show our genuine appreciation for the years of confidence and goodwill that have built for this store a place of distinction in the retail field of this city. No one should miss it! Seasonable merchandise of outstanding quality at prices that are most astonishingly low.
